## *Principal's Message*

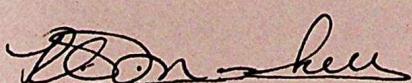

A yearbook is always one of the highlights of a school year for it seems to capture the spirit, the very essence of the school. Years from now it will continue to be a source of pleasant memories to students and staff alike. The photos, facts and memories in this book will be your stepping stones to happy reminiscence.

This yearbook is an important part of the school's 75th birthday celebration. It serves as an illustrated record of the events of this historic year.

I commend the yearbook staff for the amount of work and the dedication to excellence that went into its preparation.

To the graduating students, may your memories of Victoria Composite be pleasant ones and may your future be filled with happiness and success.

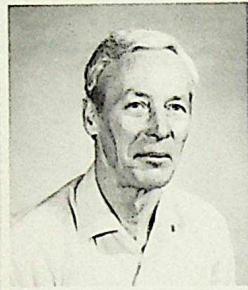

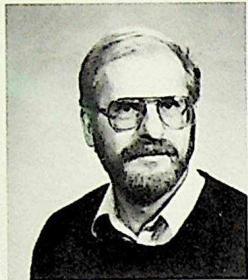

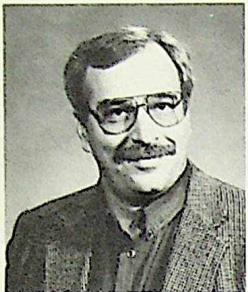

Every wish for a bright tomorrow.
